BUILDING OUR FUTURE

January 2017

Work to relocate playing field at the Penrith Christian School, Orchard Hills from Monday 30 January 2017

The Australian and NSW Governments are jointly funding this work as part of the \$1.6 billion The Northern Road Upgrade between Narellan and Penrith

Roads and Maritime Services is relocating a playing field at Penrith Christian School as part of early work for The Northern Road Upgrade from Glenmore Parkway to Jamison Road. This work is located within the Penrith Christian School boundary at the corner of The Northern Road and the M4 Motorway.

The relocation work will include:

- Minor earthworks including excavating the existing embankment around the playing field to suit the relocated playing field
- Adjusting the existing irrigation and drainage systems to suit the relocated playing field
- Relocating the existing water tank
- Providing new turf covering and line marking on the relocated playing field.

The work at the Penrith Christian School is being carried out before construction starts on The Northern Road Upgrade to minimise any potential impacts on school activities.

Our work schedule

Work will be carried out during normal construction hours from **7am to 6pm Mondays to Fridays** and on **Saturdays from 8am to 1pm**. We will notify residents if work needs to be carried out outside these standard working hours.

Site setup and construction of the new playing field will start from **Monday 30 January 2017**. The work is expected to take around eight weeks to complete, weather permitting.

How will the work affect you?

There may be noise associated with this work, we will make every effort to minimise the impact of this work on the school and surrounding residents.

Traffic changes

As the work is being carried out within the school boundaries there will be no changes to traffic.

You may notice an increase in construction vehicles and plant movement along Simeon and Frogmore Roads, Orchard Hills during the construction period.

Contact

If you have any questions please contact our delivery partner Lendlease on 1800 870 665 or tnr.community@lendlease.com. For more information on our projects, visit rms.nsw.gov.au/wsip

Thank you for your patience during this important work.
