BUILDING OUR FUTURE

April 2018

Lane closures from May 2018 for preparatory work and building of noise walls on The Northern Road, Harrington Park

The Australian and NSW governments have jointly funded this work as part of the \$1.6 billion The Northern Road upgrade between Narellan and Penrith.

Roads and Maritime Services has completed the upgrade of The Northern Road between The Old Northern Road, Narellan, and Peter Brock Drive, Oran Park to increase capacity for future growth and improve safety and travel times.

With the upgrade now complete, we will start work on installing noise walls.

From May 2018, for a period of up to 32 weeks, the project team will be preparing and constructing noise walls on the eastern side of The Northern Road between Old Northern Road and 400m north of Hillside Drive, Harrington Park.

Work will involve the removal of vegetation including some trees and clearing of the area.

This will be followed by the construction of the noise walls including piling, concreting, installing posts and installing concrete and clear noise wall panels.

Due to the equipment required for the work, the south bound bus lane and kerbside lanes of The Northern Road will be closed at various points of time during the day.

The attached map shows the location of the work.

How will the work affect you?

The work will be carried out on weekdays between 7am and 6pm and on Saturdays from 8am to 1pm. Work may be noisy and dusty, but every effort will be made to minimise impact on residents and road users.

Traffic changes

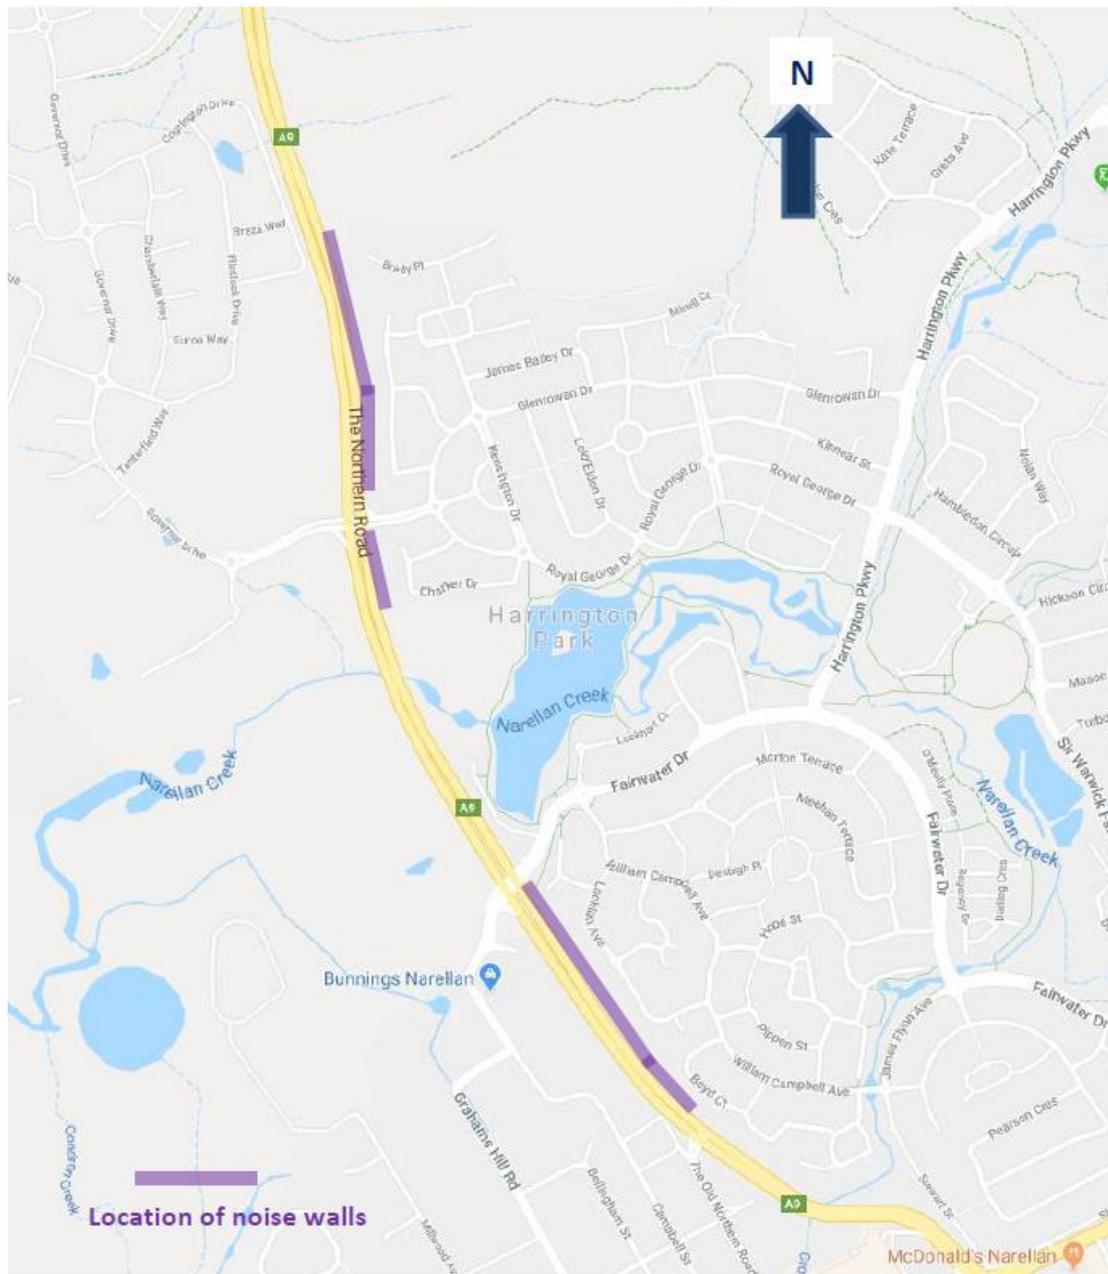

Temporary lane closures will be in place to ensure the work zone is safe for workers and motorists. Electronic message signs will be in place to direct road users around the changes.

Please keep to the displayed speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates please call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our delivery partner, Georgiou Group on **1300 059 677** or TNRStage1@georgiou.com.au. For more information on our projects, visit www.rms.nsw.gov.au/thenorthernroad. Thank you for your patience during this important work.

Location of work

Western Sydney Infrastructure Plan

The Australian and NSW governments are funding a 10 year, \$3.6 billion road investment program for western Sydney. The Western Sydney Infrastructure Plan will deliver major road infrastructure upgrades to support integrated transport for the region and capitalise on the economic benefits from developing the Western Sydney Airport at Badgerys Creek. It will also improve safety, increase road capacity and reduce congestion and travel times in the future. For more information on Western Sydney Infrastructure Plan, visit rms.nsw.gov.au/wsip or call 1800 703 457.
