

Australian Government

**BUILDING OUR FUTURE**

July 2018

## **Night work and closures on the M4 Motorway at The Northern Road, South Penrith from Friday 13 July 2018**

**The Australian and NSW governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith.**

Roads and Maritime Services is continuing work to build a new interchange over the M4 Motorway at The Northern Road, South Penrith.

As part of this work we will be lifting 40 super-T girders or bridge deck support beams on to the structure for the new bridge. This work involves transporting equipment and girders to site, loading and unloading girders, lifting girders into place using a crane, and connecting them to the support structure.

### **How will the work affect you?**

We will be working on the M4 Motorway and using the stockpile sites at Wentworth and Homestead Roads at night up to five nights a week between 7pm and 9am from **Friday 13 July to Friday 10 August 2018**. During this time there will be road closures, see traffic changes below for more detail.

Our work may be noisy but we will work to minimise impacts on residents by:

- using equipment fitted with noise mitigation devices
- locating machinery away from residents where possible
- turning off equipment when not in use
- monitoring noise at night.

### **Traffic changes**

To minimise the impact on motorists, work affecting the M4 Motorway is planned to take place over 14 nights up to five nights per week **from Friday 13 July to Friday 10 August 2018**, weather permitting.

During the night work, the **M4 Motorway will be closed on nights of Monday (Tuesday mornings) to Thursday (Friday mornings) from 10pm to 4am, on Friday nights (Saturday mornings) from 10pm to 7am, and on Saturday nights (Sunday mornings) from 10pm to 8am** in both directions between the M4 Motorway entry and exit ramps to The Northern Road. Detours will be in place via the entry and exit ramps. Driving conditions will be reduced to 40km/per hour in the vicinity of the works. The attached map shows the location of the work, M4 Motorway closure area and detour routes.

As a result of the changes, there will be traffic delays on The Northern Road and M4 Motorway at night. We will monitor traffic through the night and make adjustments where we can. Motorists travelling at this time can expect some delays so please plan your trip in advance and consider alternate routes including the Great Western Highway.

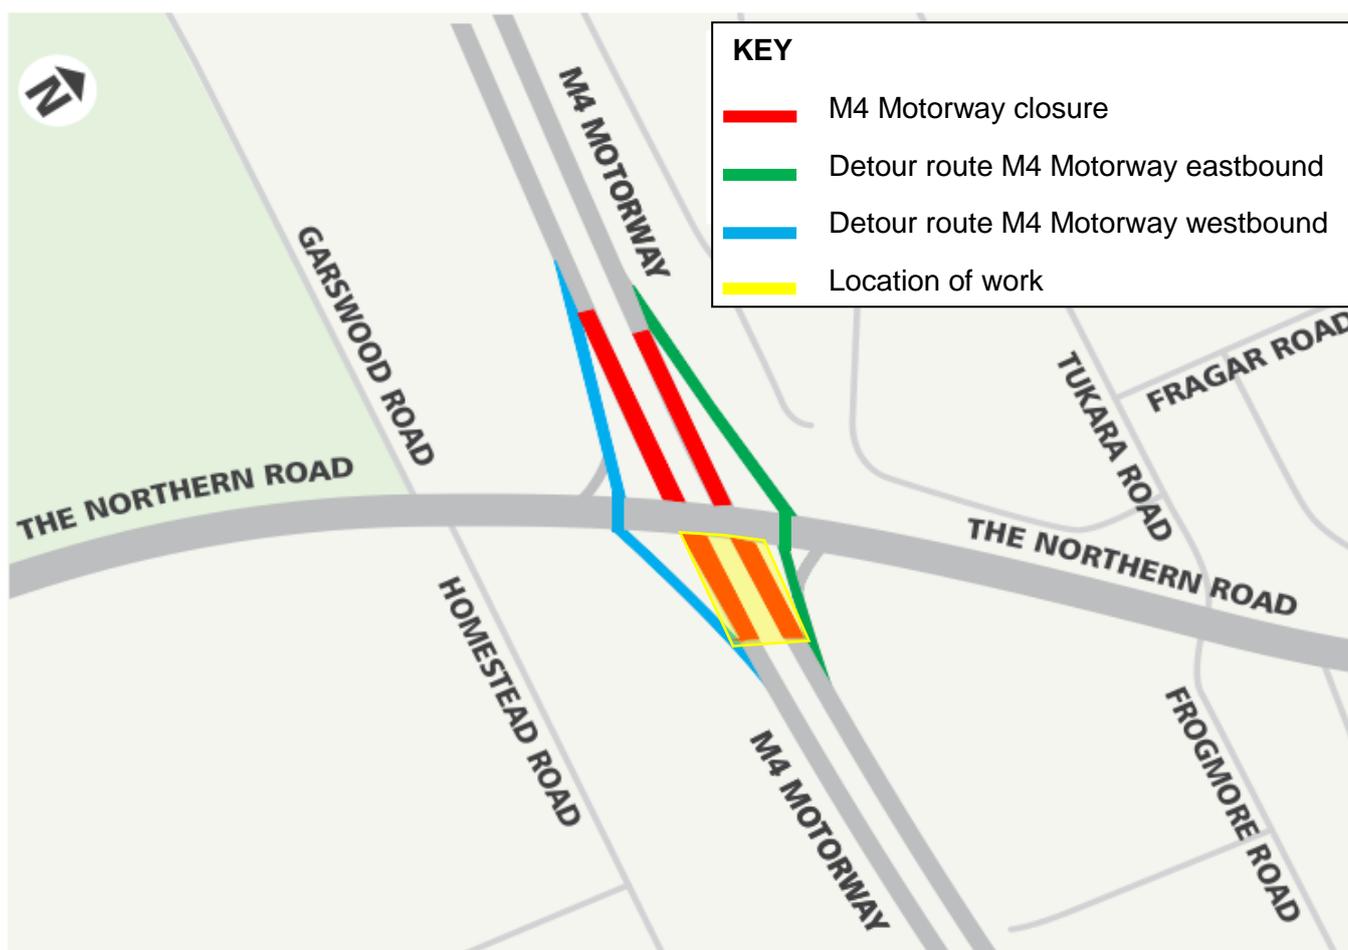

Electronic message signs and traffic controllers will be in place to direct road users through these changes. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

## Contact

The local community is encouraged to contact the Project Infoline, which is available 24 hours a day, seven days a week, to discuss any concerns or enquiries about construction activity. Please contact our delivery partner Lendlease on 1800 870 665 or [tnr.community@lendlease.com](mailto:tnr.community@lendlease.com) if you have any questions or complaints related to this activity.

Thank you for your patience during this important work.
