

## Night work and traffic changes on Wentworth Road, Orchard Hills from 22 August 2018

The Australian and NSW Governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith.

Roads and Maritime Services is continuing night work for The Northern Road upgrade between Glenmore Parkway, Glenmore Park and Jamison Road, South Penrith.

As part of this work, utilities will be installed along Wentworth Road, Orchard Hills. To minimise the impact on motorists, work will be carried at night between **10pm and 5am**, weather permitting on the following dates:

- Wednesday 22 August 2018
- Thursday 23 August 2018
- Tuesday 4 September 2018
- Wednesday 5 September 2018.

The attached map shows the location of the work.

### How will the work affect you?

Our work may be noisy at times but every effort will be made to minimise impacts on residents by:

- Adapting our construction methods to reduce night work impact as much as possible
- Changing between work locations to minimise continuous impact on the same groups of residents
- Using equipment fitted with noise mitigation devices and monitoring noise at night.

### Traffic changes

Temporary traffic changes will be in place to ensure the work zone is safe for workers and motorists. Wentworth Road will be closed in both directions at The Northern Road end and detours will be in place via Frogmore Road and Kingswood Road.

Electronic message signs will be in place to direct road users through these changes. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.
