## How will the work affect you?

Our work may be noisy at times but every effort will be made to minimise impacts on residents by:

- Adapting our construction methods to reduce night work impacts as much as possible
- Changing work locations to minimise continuous impact on the same groups of residents
- Using equipment fitted with noise mitigation devices and monitoring noise at night.

## Traffic changes

Temporary traffic changes will be in place to ensure the work zone is safe for workers and motorists. Glenmore Parkway will be temporarily closed and detours will be in place via Bradley Street. Frogmore Road will be temporarily closed and detours will be in place via Kingswood Road and Caddens Road.

Electronic message signs will be in place to direct road users through these changes. Please keep to speed limits and follow the direction of traffic controllers and signs.
