

## Water infrastructure related work continues for The Northern Road upgrade from February 2019

The Australian and NSW governments are funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith

Roads and Maritime Services and Sydney Water will carry out preparatory work for future water utility relocations in various locations along The Northern Road, between Bradley Street, Glenmore Park and Kings Hill Road, Mulgoa. The work will help with the relocation of essential water services to accommodate the widening of The Northern Road.

The work will involve piling and preparation work for installing new pipes.

The work will take place on weekdays between **7am and 6pm** and Saturdays between **8am and 1pm** from February to August 2019. There will be temporary lane closures on The Northern Road with traffic control measures in place.

### Location of work

## How will the work affect you?

Our work may be noisy at times and will involve loading and unloading trucks, use of excavation and piling equipment. Every effort will be made to minimise the impact on residents by:

- Adapting our construction methods to reduce noise impacts as much as possible
- Monitoring noise and vibration.

## Traffic changes

Traffic control will be in place to guide motorists around the work. There will be lane closures on The Northern Road, which may affect travel times. Please keep to speed limits and follow the direction of detour signs and traffic controllers. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

## Our work schedule

The work will take place on weekdays between **7am and 6pm** and Saturdays between **8am and 1pm** from February till December 2019.

## Contact

If you have any questions or concerns, please contact the project Community Liaison Manager on 1800 703 457/Select 1/Select 6 or by email [thenorthernroad@rms.nsw.gov.au](mailto:thenorthernroad@rms.nsw.gov.au)
