Dear Gurjit

Windsor Bridge Replacement Project (SSI-4951): Approval of the Hawkesbury Region Sand Bodies Study research design as part of the requirements of conditions B3(f)

I refer to document *Hawkesbury Region Sand Body Study – Research Design*, prepared by AAJV (dated 16 June 2016), submitted to fulfil part of the requirement of condition B3(f) of Infrastructure Approval SSI-4951.

The Department has reviewed the document and considers it to be a satisfactory research design and action plan for the Hawkesbury Region Sand Bodies Study.

Therefore, in accordance with condition B3, I approve the *Hawkesbury Region Sand Body Study – Research Design*.

I note that in the event of any archaeological discovery, the findings are to be made publicly available, as per the requirements of condition B3(f)(iii), and recommendations are to be made concerning the preservation and future management of any finds.

If you have any further queries or require clarification on this matter, please contact [Redacted], Planning Officer, Infrastructure Management on [Redacted] or by email [Redacted]

Yours sincerely
