**SUBJECT: PROTECTION OF ABORIGINAL CULTURAL HERITAGE**  
**Options for the Replacement of Existing Bridge over**  
**The Hawkesbury River, Windsor. NSW.**

Dear Barry,

A representative of Deerubbin Local Aboriginal Land Council (Phil Khan) inspected the proposed options for the replacement bridge over the Hawkesbury River on the 10<sup>th</sup> July.2009. An Aboriginal cultural heritage assessment was undertaken to evaluate the likely impact the proposed options has on the cultural heritage of the land.

Although our representatives finding were, that, no Aboriginal cultural material had been located during his walkover of the study areas, nevertheless, Deerubbin Local Aboriginal Land Council, recommends, that, the option for the route over the Hawkesbury River be further investigated before any developmental impact. Particularly in the light of the fact that previous assessment work and subsequent (archaeological) investigations of lands within close proximity to the study area, led to several Aboriginal sites being found.

Yours Faithfully,

  
Kevin Cavanagh  
(Chief Executive Officer)
