

## Closure of the second ramp on Wisemans Ferry from Monday 27 April 2020

Transport for NSW is upgrading the second ramp on the western side of the ferry crossing at Wisemans Ferry. From **Monday 27 April to Friday 29 May 2020**, weather permitting, the second ramp will be closed for the upgrade work. The main crossing will remain operational during the period of work.

We have already established a site compound in preparation for this closure. The work over the closure will include the following activities:

- replace the second ferry ramp – the new ramp will be built over the existing structure
- install underwater barriers around the ramps to reduce wear and tear from tides and sediments
- resurface the roads approach to the new ferry ramp.

## Our work schedule

We will be on site for **30 day shifts** between **Monday 27 April** and **Friday 29 May 2020**, weather permitting.

Our work hours will be between **7am** and **6pm** from **Monday** to **Friday** and between **8am** to **1pm** on **Saturday**.

The main crossing will remain open. The second ramp, used only on weekends and public holidays, will be closed for upgrade.

## Contact

If you have any questions, please contact the project team on **1800 718 228** or email [wisemansferry@transport.nsw.gov.au](mailto:wisemansferry@transport.nsw.gov.au)

For more information on our projects, visit [www.rms.nsw.gov.au/projects/sydney-west](http://www.rms.nsw.gov.au/projects/sydney-west)

The plant and machinery that will be used will be a combination of electric hand tools, various generators, excavators, pumps, vibrators and tippers.

## How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including drilling out only the damaged parts of the existing ramp and finishing work by 6pm during the weekdays.

The second ramp will also be closed to pedestrians and vehicles during this closure. The main crossing will remain functional for vehicles and pedestrians to continue to use.

This work will ensure a safe and reliable ferry service and provide safer access to the ferry for pedestrians and road users. We appreciate your understanding and patience during the closure.
